Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith are copies of three (3) references cited in the enclosed Official Communication issued in a corresponding Japanese Patent Application. For the Examiner's convenience, we have ordered an English translation of the Japanese Official Communication and we will file it in a Supplemental Information Disclosure Statement in due course.

Applicants cite Reference No. 1 because it is the U.S. equivalent of Reference No. 4.

Applicants do not provide a copy of the U.S. reference, as it is no longer a USPTO requirement.

The statement is not a representation that all of the information cited is necessarily effective as prior art against the application.

I hereby state that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months prior to the filing of this statement, and that this is the first citation of these prior art references by a foreign patent office in a counterpart foreign patent application. Accordingly, no fee is necessary for the filing of this statement. Should the Commissioner determine otherwise, the Commissioner is authorized to charge Deposit Account No. 50-1353 for any fee shortages, including the petition fee under 37 C.F.R. § 1.17(p).

Applicants respectfully request that the cited references be made of record in the subject application.

Respectfully submitted,
